- *It has an alarm for greater weight control.*

• stainless steel load cell.

### +INFORMATION

Standard deviation	Desviación estándar
Coefficient of variation	Coefficiente de variación
Minimum, maximum and average weight	Mínimo, máximo y peso promedio

### +SECURITY

Surveillance of target weights	Control de los pesos objetivos
--------------------------------	--------------------------------

### +CONNECTIVITY

Connection to internet portal	Connexion al portal de internet
-------------------------------	---------------------------------

### +ACCURACY

It makes more weights per day in each platform	Mayor número de pesadas por día en cada plataforma
--	--

### PSCALE 30

TECHNICAL SPECIFICATIONS	
REFERENCE	PSCALE 30
MEASURES	195x80x95mm
IP PROTECTION	IP67
NORMATIVES	89/392/EEC – 73/336/EEC – 73/23/EEC

### SCALE

TECHNICAL SPECIFICATIONS	
MEASURES	Telescopic bar up to 240cm Ø55cm plate
MATERIALS	Stainless steel bar Non-slip aluminium plate

Poultry weighing equipment up to 30 kg
